THE WORDBOT

Today's word is **Ephemeral**.

That is: E - P - H - E - M - E - R - A - L.

The definition is: *lasting for a very short time.*

For instance: *the beauty of a sunset is often ephemeral.*

Would you like to hear about its origin?

USER

Yes, please.

THE WORDBOT

Consulting the Etymological Vault...

It derives from the Greek, meaning "*lasting only a day.*"

Historically, it was used to describe a fever or certain flowers that bloomed and faded within 24 hours.

USER

Thank you.

THE WORDBOT

You are most welcome.

[End.]
